

JONATHAN KLINGLER, DO

Jonathan William Klingler

klingler.jon@gmail.com

7 Eagle Drive PO BOX 470 Grantham, NH 03753

814.777.6817

Dr. Klingler is a highly personable, competent and team-spirited physician who is recognized for his academic excellence and composure in high-stress environments. His combination of experiences across the aviation, medical, outdoor winter recreation, and business fields exhibit his ability to adapt to different environments, to teach students in a variety of subject areas with success, and to reach mission oriented targets whether that is patient outcomes in the emergency department, students success rates, or aviation safety standards. In his most recent area of expertise, he is a patient's advocate that works closely with his physician colleagues, nursing, and hospital administration to reach emergency department benchmarks, and consistently exceeds patient service expectations. Outside of his field services, he fulfills his passion and utilizes his educational and tactical knowledge to guide future medical practitioners.

Medical Experience

Adjunct Professor of Medicine
Franklin Pierce University (FPU)

April 2016 – Present

- **ME560 Advanced Clinical Skills Course Coordinator**
 - Redesigned and implemented a hands-on educational approach to advanced clinical skills for a 23-student FY2016 physician assistant class
 - Collaborated with FPU leadership to identify curriculum gaps and define improvement areas. As a result, launched five revamped student programs (venipuncture, IV insertion, suturing, advanced cardiac life support, and lumbar puncture) for the FY2016 academic year
 - Collaborated with FPU leadership in the creation of a cadaver-based incision and drainage workshop using the gross anatomy lab at Geisel Medical School. Assisted in the design and development to enhance student hands-on participation and overall learning experience
 - Created an Orthoglass splinting workshop by contacting BSN Medical Corporation representatives to establish their help in student classroom hands-on education. In addition, I successfully negotiated free splinting materials and reduced unit cost for additional splinting products for FPU use
- **ME580 Clinical Reasoning III Course Facilitator**
 - Assisted in case design using Problem-Based Learning principles for student history and physical (H&P) skill development and evaluation
 - Led Physician Assistant (PA) student discussion groups twice a week to develop H&P skills, diagnostic skills, treatment planning, and execution strategy in patient care
- **ME592 Clinical Medicine Course Lecturer**
 - Designed, developed and facilitated a lecture series consisting of nine topics covering Cardiovascular Emergencies, Respiratory Failure, Respiratory Emergencies, Burn and Wound Management, Gastrointestinal Disorders, Gastrointestinal Imaging, Diarrheal Diseases, Altered Mental Status and Delirium, and Pediatric Emergency Medicine
- **ME508 Patient Care I Assistant Course Coordinator**
 - Facilitated educational case-based modules in History and Physical skill development. Specifically, to enhance student knowledge and understanding of the material beyond rote memorization

Attending Emergency Medicine Physician
WPA Emergency Medicine Staffing

March 2015 – June 2015

- Partnered with hospital administration, medical staff, patients and family members to ensure high quality, efficient, effective, and evidence-based emergency medicine care as a locums tenens emergency physician

Attending Emergency Medicine Physician
MEP Health Incorporated

July 2013 – June 2015

- Managed several emergency department teams in efficient, effective, and evidence-based emergency care with a patient volume approaching 60,000 patients per year averaging 2.2 patients per hour
- Managed a 2-physician assistant and 2-nursing staff team in the care of minor ED emergencies and procedures
- Developed and Implemented educational initiatives to teach the most up-to-date evidence-based emergency medicine topics to the medical staff including all emergency nursing and emergency physician assistant staff
- Worked with senior emergency medicine leadership to prepare for the monthly morbidity and mortality conference; activities included the identification of challenging cases, facilitation of lesson learned sessions, and determination of system mitigation strategies to avoid poor patient outcomes in the future.

Additional Teaching Experience

- Developed and led standardized cases to assess medical student and emergency medicine resident patient evaluation and management skills in a simulation-based learning environment to enhance medical skill acquisition and clinical knowledge development

Critical Care Resuscitation Course Coordinator

July 2011 – June 2013

Penn State Milton S. Hershey Medical Center

- Designed, developed, and implemented high-yield critical care resuscitation scenarios and clinical skills training initiatives to advance resident knowledge and clinical acumen in teamwork, procedures, and crisis management

Simulation Instructor Course

June 2011

Penn State Milton S. Hershey Medical Center

- Completed 4-week simulation instructor course to educate in experiential learning, use of simulation in educational curriculum, teamwork building in simulation environment, and application of simulation in health care education, research, and assessment

Medical Application of Crew Resource Management

July 2010 – Present

Penn State Milton S. Hershey Medical Center

- Designed and Developed a Lecture Series given to medical students, residents, and attending physicians on the application of aviation crew resource management principles and their specific application in the care of individual patients

Emergency Medicine Residents Association (EMRA)

Simulation Wars Team Captain

July 2011 – June 2013

- Designed, developed, and implemented leadership and teamwork initiatives to effectively train a four-member team for the simulation wars national competition held at the annual Society for Academic Emergency Medicine conference placing in the top 3 out of 10 registered resident teams for each consecutive academic year

EMRA

Ultrasound Games Team Captain

July 2011 – June 2013

- Designed, developed and implemented leadership and teamwork initiatives to effectively train a four-member team for the national diagnostic ultrasound skills competition held at the annual SAEM conference placing in the top 5 out of 20 registered resident teams for each consecutive year

Education

Penn State Milton S. Hershey Medical Center

July 2010 – July 2013

Emergency Medicine Residency

Lake Erie College of Osteopathic Medicine

August 2006 – June 2010

Doctor of Osteopathy

- Top 5% Honors Graduate of the Problem-Based Learning Degree Program
- Lake Erie College of Osteopathic Medicine Academic Excellence Scholarship (2006-2010)
- Lake Erie College of Osteopathic Medicine Academic Merit Scholarship (2006-2010)

Lock Haven University of Pennsylvania

August 2003 – May 2005

- Designed and implemented my own Pre-Medicine Studies Program
- Distinctive Graduate 4.0 GPA

4/10

Jonathan William Klingler

Physician Certification Details

American Board of Emergency Medicine

The name and information provided below indicates only those certificates awarded by ABEM as of November 07, 2019. All certification information is drawn directly from our certification database and is updated quarterly.

Klingler, Jonathan
Grantham, NH

Specialized In	Cert Number	Certification Dates	Meeting the Requirements of MOC
Emergency Medicine	55592	10/27/2014-12/31/2024	Yes

[PRINT](#)[BACK TO SEARCH LIST](#)

ABEM verifies whether a physician is board certified. The board can provide information on a physician's status if the request includes the physician's last name when utilizing the online search.

ABEM certifies physicians who have completed the [initial certification](#) process.

There are additional ways to verify a physician's board certification or board eligible status:

- Online: through <https://www.certificationmatters.org>
- Verbal: Call ABEM at 517-332-4800, extension 381
- Email: verify@abem.org
- Written: Mail verification requests to
American Board of Emergency Medicine
3000 Coolidge Road
East Lansing, Michigan 48823

Please note: There is a \$25 processing fee for written verification requested by or addressed to a third party. ABEM requires either the date of birth or the last four digits of the social security number to provide verification of a physician's status directly. Please provide one of these pieces of information along with your request.

ABEM-certified Physicians

ABEM-certified physicians can print a certification verification letter by signing in to their ABEM portal.

PRINT VERIFICATION LETTER

For more information on verification of Board status, please see the [Policy on Disclosure of Information on Diplomates](#).

ABEM's website serves as primary source verification.
