Home Address: 1853 Rt. 25A
Orford, NH 03777

Education: 1979-1984 B.A. Williams College, Williamstown MA (English)
5/85-6/85 Summer Session, Duke University, Durham NC
6/85-7/85 Summer Session, Harvard University, Cambridge MA
9/85-12/85 Harvard University Extension Program, Cambridge MA
9/86-6/90 M.D. New York University School of Medicine

Post-graduate training:

07/90-06/93 Resident, Emergency Medicine, Department of Emergency
Medicine, Bellevue Hospital Center, New York, NY

07/93-06/94 Chief Resident, Emergency Medicine, Bellevue Hospital

Faculty Appointments:

07/94-06/96 - Assistant Professor of Emergency Medicine,
Department of Emergency Medicine, New York Medical College,
Valhalla, NY

07/96-03/05- Assistant Professor of Emergency Medicine, University
Pennsylvania School of Medicine, Philadelphia PA.

06/06-03/11 - Associate Professor, Jefferson Medical College,
Philadelphia PA.

03/2011 - 06/2013 - Professor, Emergency Medicine, Jefferson
Medical College, Philadelphia PA.

05/01/2013 - present, Adjunct Professor of Medicine (Emergency
Medicine), Geisel School of Medicine, Dartmouth College.

09/01/2009 - present, Visiting Professor, Emergency Medicine,
University of Maryland Medical Center.

Hospital and Administrative Appointments:

07/94-06/96 Assistant Director of Emergency Services for Medical Education and Operations, Attending Physician, Emergency Medicine Department, Lincoln Hospital, Bronx, NY.

07/95-06/96 Attending Physician Emergency Department (Part-time), Bellevue Hospital Center and Tisch Hospital, New York University Medical Center.

07/97-06/98 Assoc. Residency Director, Emergency Medicine Training Program, Hospital University of Pennsylvania.

07/96-03/05 Attending Physician, Emergency Medicine Department, Hospital of the University of Pennsylvania.

07/05-09/09 Attending Physician, Emergency Medicine Department, Albert Einstein Medical Center, Philadelphia PA.

11/09-06/13 Attending Physician, Emergency Medicine Department, Thomas Jefferson University Hospital, Philadelphia PA.

4/12-12/14 Attending Physician, Emergency Department, Cottage Hospital, Woodsville NH.

10/14-12/15 Attending Physician, Emergency Department, Valley Regional Hospital, Claremont NH.

11/14-6/16 Attending Physician, Emergency Department, Franklin Regional Hospital, Franklin NH.

07/15-8/17 Attending Physician, Emergency Department, Speare Memorial Hospital, Plymouth NH.

06/1/15- Attending Physician, Emergency Department, Middle Park Medical Center, Granby CO.

10/1/15- Attending Physician, Emergency Department, Littleton Regional Hospital, Littleton NH.

Specialty certification:

1995- Diplomat, American Board of Emergency Medicine
(renewed 2005, 2015)

Licenses and Certifications:

New Hampshire (3/2012-present)
Colorado (5/2015-present)
Inactive: Pennsylvania, New York New Jersey
Advanced Trauma Life Support Instructor (1994-2005)
Advanced Trauma Life Support Certification (1994-2005; 2012-)
Advanced Cardiac Life Support Certification (1994-2005; 2012-)
Advanced Cardiac Life Support Instructor (1994-2001)
Pediatric Life Support (1994-1998, 2012-)
Neonatal Resuscitation Program (2012-)

Awards:

1990	Society of Academic Emergency Medicine, Medical Student Excellence Award
1994	Emergency Medicine Research Award, Bellevue Hospital Center Emergency Medicine Residency
1994	ACEP/Micromedix Educational Exhibit Award for "Direct Laryngoscopy Video System," American College of Emergency Physicians' Scientific Assembly, Orlando, September 13, 1994
2001	Department of Emergency Medicine, Hospital of the University of Pennsylvania, Emergency Medicine Residents' Teacher of the Year Award
2005	Society for Academic Emergency Medicine Annual Meeting, Best Abstract finalist.
2005	Society for Academic Emergency Medicine Annual Meeting, Best Innovation in Emergency Medicine Education Exhibit.
2005	Department of Emergency Medicine, Hospital of the University of Pennsylvania, Emergency Medicine Residents' Teacher of the Year Award
2007	Article on bimanual laryngoscopy [A Randomized Trial Comparing Cricoid Pressure, BURP, and Bimanual Laryngoscopy. <i>Ann Emerg Med.</i> 2006; 47: 548-55] included in 2007 Life Long Skills Assessment test administered by the American Board of Emergency Medicine for recertification.
2010	Outstanding Contributions to Emergency Medicine Education Award, University of Maryland, Department of Emergency Medicine, Baltimore MD.
2013	Jefferson "Golden Apple" Teaching Award. Awarded by residents to faculty member for educational contribution to their resident education.
2014	Article on Pre-Oxygenation and Prevention of Desaturation in Emergency Airway Management [Weingart SD, Levitan RM. Preoxygenation and Prevention of Desaturation During Emergency Airway Management <i>Ann Emerg Med.</i> 2012 Mar;59(3):165-75.] included in 2014 Life Long Skills Assessment test administered by the American Board of Emergency Medicine for recertification.

Membership in Professional Societies:

1990-	Society for Academic Emergency Medicine
1994-	American College of Emergency Physicians
1997-	Fellow, American College of Emergency Physicians
1994-	American Academy of Emergency Medicine
1992-2002	Wilderness Medical Society

1995-	Society for Airway Management
1994-1996	Emergency Cardiac Care Committee, American Heart Association, New York City Affiliate
2011-2014	Board of Directors, Society for Airway Management, Member-at-Large

Editorial Positions:

2007-	Reviewer, Journal of Clinical Anesthesia
2003-2016	Editorial Board, Decision Editor, Annals of Emergency Medicine
2002-2003	Consulting Editor, Annals of Emergency Medicine
2003-	Reviewer, Respiratory Care Journal
1999-	Reviewer, Annals of Emergency Medicine
1999-	Reviewer, Academic Emergency Medicine
1999-	Abstract Reviewer, Society for Academic Emergency Medicine, Annual Convention

Major Teaching and Clinical Responsibilities Thomas Jefferson University Hospital

1. Attending and Core Residency Faculty, Emergency Medicine Dept., (approx. 8 shifts per month); direct clinical supervision of medical students and residents, including EM residents and rotating residents from other departments.
2. Director of Airway Education for Emergency Medicine Residency

Major Teaching and Clinical Responsibilities Albert Einstein Medical Center

3. Attending and Core Residency Faculty, Emergency Medicine Dept., (approx. 9 shifts per month); direct clinical supervision of medical students and residents, including EM residents and rotating residents from other departments.
4. Director, Albert Einstein Medical Center Airway Training Center (established 12/06); Principal instructor, approximately 15-20 classes per year teaching laryngoscopy and airway management to residents, paramedics, nurse anesthetists, respiratory therapists and other providers of emergency airway management. Participants from within the medical center and from other institutions throughout the region.

Academic Committees at the University of Pennsylvania:

1998	Committee to Review the Penn Muscle Institute
1999	Committee to Review the Department of Anesthesia

Major Teaching and Clinical Responsibilities for the University of Pennsylvania

1. Attending, Emergency Medicine Dept., (approx. 13 shifts/month 1996-2003; 8 shifts per month beginning July 2003 until 3/31/05); direct clinical supervision of medical students and residents, including EM residents and rotating residents from other departments.
2. Lecturer, Airway Management, Emergency Medicine/Anesthesia/Surgery 3rd year course, approximately four to five student groups per year, comprising the entire medical school class each year 1999-2005.

Jefferson Academic Activities

1. Member, Code Committee, Thomas Jefferson University
Hospital, 2010-2012
2. Member, Anesthesia Pain Committee, Thomas Jefferson
University Hospital, 2010-2012
3. Member, Jefferson CME Committee, August 2011-2013

Lectures by Invitation:

- August 29th, 2019 Workshop Director, Didactic and Hands-on full-day airway management workshop, Sponsored by the Emergency Medicine Department, The Royal Alfred Hospital, Melbourne Australia. Workshop conducted at The Blackman hotel, Melbourne Australia.
- August 28th 2019 Workshop Director, Didactic and Hands-on full-day airway management workshop, Sponsored by the Emergency Medicine Department, St. John Hospital Perth, Australia.
- July 25-26, 2019 Course Director, Mayo Clinic, Rochester MN. Full-day airway procedure course using non-embalmed cadavers, custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM residents, attendings, nurse practitioners and physician assistants.
- July 17th, 2019 Full-day Airway Management Cadaveric Lab, for Mt. Sinai Critical Care Department, Mt. Sinai NYC. Lab conducted at University of Maryland Medical Center.
- June 26-27, 2019 Workshop Director, Practical Emergency Airway Management Course, Department of Critical Care, t. Sinai Hospital, New York City. Full-day hands-on workshop on direct and video laryngoscopy, endoscopy, and surgical airways. Two separate groups over two days.
- May 29th, 2019 Grand Rounds Speaker, Dept. Emergency Medicine, Metropolitan Hospital, New York City. "Crisis Performance and Emergency Airways."
- May 1st, 2019 Course Director, full-day Emergency Airway Management Workshop. For EM residents, students and faculty. Hands-on practice with direct and video laryngoscopes, endoscopes, and surgical cricothyrotomy models. UNMD-NJ Rowan School of Osteopathic Medicine, Stratford NJ.
- March 20th, 2019 Grand Rounds Speaker and Course Director, Half-Day Airway Workshop, Department of Emergency Medicine, Madigan Hospital, Tacoma, Washington.
- March 2-3, 2019 Workshop Director, Practical Emergency Airway Management Course, Cottage Hospital Emergency Department, Santa Barbara California. Full-day hands-on workshop on direct and video laryngoscopy, endoscopy, and surgical airways. Two separate groups over two days.
- Feb. 23-24, 2019 Keynote Speaker, and workshop instructor, Rocky Mountain Winter Conference, Steamboat Grand Hotel, Steamboat Springs, Colorado. "Alivin' and Thrivin' in Emergency Medicine," and "Expert Airway Management."
- Feb. 21st, 2019 Workshop Director, Full-day Airway Management Workshop for EM Physicians and EMS Providers, sponsored by Middle Park Medical Center, Granby CO.

- February 19, 2019 Grand Rounds Speaker, Vanderbilt University, Dept. Emergency Medicine. "Crisis Performance and Emergency Surgical Airways."
- January 3rd, 2019 Speaker, "Emergency Surgical Airways", Morbidity and Mortality Rounds, Springfield Hospital, Springfield VT.
- Dec. 19th, 2018 Workshop Director, Practical Emergency Airway Management Course (full day, hands-on course), for Emergency Medicine Residents, Mt. Sinai Hospital, Miami FL.
- Dec. 2nd, 2018 Workshop Director, Levitan Airway Course, Istanbul Turkey. Full day airway workshop with hands-on practice with direct and video laryngoscopy and surgical airways. Radison Blu Hotel, Istanbul. Sponsored by International Emergency Medicine Education Project, Turkey.
- Nov. 29-30th, 2018 Speaker, and Workshop Instructor, Airway Management for Anesthesiologists Meeting, Copenhagen, Denmark. "Rigid Laryngoscopy," "Trauma and Emergency Airway Management," and "The Future of Emergency Airway Management." Rigshospitalet, University Hospital of Copenhagen.
- Nov. 8-11, 2018 Keynote Speaker and Workshop Instructor, 46th Chilean Congress of Anesthesiology Annual Meeting, Sheraton Miramar Hotel & Convention Center, Vina Del Mar, Chile. "Incrementalized Direct and Video Laryngoscopy."
- October 31st, 2018 Keynote Speaker, "Pediatric Airway Management." ALL NYC Emergency Medicine Resident Conference, City College New York, NY.
- October 21st, 2018 Workshop Director and principal speaker, Airway Management Workshop, 4th Panhellenic Conference in Emergency Medicine, Athens Greece.
- October 9th, 2018 Speaker, "Oxygenation and Intubation," Grand County EMS, Granby Colorado.
- Sept. 2nd, 2018 Workshop Director, Airway management course for St. John Ambulance Western Australia, Perth Australia. Full day hands-on course addressing laryngoscopy, intubation and surgical airways.
- Sept. 1st, 2018 Keynote Speaker St. John Ambulance Western Australia State EM Conference, Perth Convention Center. "Airway Theater and Patient Safety in Emergency Airway Management."
- July 26-27th, 2018 Course Director, Mayo Clinic, Rochester MN. Full-day airway procedure course using non-embalmed cadavers, custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM residents, attendings, nurse practitioners and physician assistants.
- July 10th, 2018 Grand Rounds Speaker, Emory Hospital, Department of Emergency Medicine, Atlanta GA. "Crisis Performance in Emergency Airways."
- July 9th, 2018 Course Director, full-day Emergency Airway Management Workshop. For surgery residents and faculty. Hands-on practice with direct and video laryngoscopes and surgical

- cricothyrotomy models. UNMD-NJ Rowan School of Osteopathic Medicine, Stratford NJ.
- June 26-27, 2018 Workshop Director and Speaker, hands-on full day airway workshop for faculty and residents (2 separate days) NYU Department of Emergency Medicine, New York City NY.
- June 20th, 2018 Grand Rounds Speaker, University of Cincinnati Hospital, Department of Emergency Medicine, Cincinnati OH. "Crisis Performance in Emergency Airways."
- May 30th, 2018 Grand Rounds Speaker, Denver Health, Department of Emergency Medicine, Denver CO. "Crisis Performance in Emergency Airways."
- May 14th, 2018 Airway Workshop Director and primary speaker, Essentials of Emergency Medicine. Two half-day hands-on airway workshops. Cosmopolitan Hotel, Las Vegas NV.
- April 25th, 2018 Course Director, full-day Emergency Airway Management Workshop. For EM residents, students and faculty. Hands-on practice with direct and video laryngoscopes, endoscopes, and surgical cricothyrotomy models. UNMD-NJ Rowan School of Osteopathic Medicine, Stratford NJ.
- April 3-4, 2018 Airway Workshop Director, full day didactic/hands-on workshop for critical care and emergency physicians and nurses, Hackensack Medical Center, Hackensack NJ. . Full-day airway procedure course using custom designed intubation and surgical airway models. Two separate groups over 2 days.
- March 26th, 2018 Grand Rounds Speaker and Course Director, Half-Day Airway Workshop, Department of Emergency Medicine, Madigan Hospital, Tacoma, WA. "Doing Well, Being Well in Emergency Medicine."
- Feb. 26th, 2018 Speaker and Workshop Instructor, Rocky Mountain Winter Symposium, Breckenridge CO. "Crisis Performance, Doing Well and Being Well in Emergency Medicine."
- Feb 12, 2018 Course Director, "Emergency Airway Masterclass," sponsored by Critical Care Events/Medreach, Glasgow Scotland, UK.
- Feb. 6-8th, 2018 Speaker, "Incrementalization and Emergency Airway Management." The Big Sick Conference 2018, Zermatt, Switzerland.
- Jan 31st, 2018 Grand Rounds Speaker, and Full-day Airway Course Director, University Medicine and Dentistry New Jersey, Newark NJ. "Crisis Performance and Emergency Airways."
- Dec 13th, 2017 Grand Rounds Speaker, New York Hospital Queens, Queens NY. "Crisis Performance In Emergency Airways," and "Incrementalized Direct and Video Laryngoscopy."
- Nov 30th, 2017 Grand Rounds Speaker, Department of Emergency Medicine, Madison WI. "Crisis performance in Emergency Airways."
- Nov 10th, 2017 Course Director "Emergency Airway Symposium", Hotel Claridge, Buenos Aires, Argentina. Half-day conference for EM residents from multiple training programs across Buenos Aires.

Nov 4th, 2017 Course Director, Airway Workshop, Exeter Hospital, Exeter NH Workshop, Hands-on sessions on direct and video laryngoscopy, and surgical airways.

Oct 28th, 2017 Course Director, 2 hour Airway Workshop, North Country EMS Annual Symposium, North Conway NH.

Oct 16th, 2017 Speaker, "Bring Me Back to Life" Conference, Montreal Canada. 34th Congrès scientifique de médecine d'urgence. "Use a Knife-Save a Life!"

Oct 11th, 2017 Grand Rounds, Department of Emergency Medicine, Brown University Medical Center, Providence Rhode Island. "Doing Well, being Well in Emergency Medicine", "An Incrementalized Approach to Hypoxia and Laryngoscopy", and "Save a Life-Cut the Neck."

Sept. 15th, 2017 Speaker, Society of Airway Management National Meeting, Newport Beach California. "Oxygenation in Emergency Airways."

Sept 13th, 2017 Course Director, Calstar Airway Workshop, Salinas CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.

Sept 12th, 2017 Course Director, Calstar Airway Workshop, Salinas CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.

Aug. 16-21, 2017 Speaker, Singapore Society of Anesthesiologists Meeting (20th General Scientific Meeting & 5th Congress of ASNACC 2017), Singapore. Lectures on Laryngoscopy, oxygenation, and surgical airways; workshop instructor.

July 27-28, 2017 Course Director, Mayo Clinic, Rochester MN. Full-day airway procedure course using non-embalmed cadavers, custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM residents, attendings, nurse practitioners and physician assistants.

July 26th, 2017 Airway Workshop Leader and Speaker; full day, hands-on airway workshop for paramedics. Woodbury EMS, Woodbury Minnesota.

July 12-13th, 2017 Speaker, New York ACEP Scientific Assembly, Sagamore Hotel, Bolton Landing, Lake George NY. "Save a Life-Use a knife," and "An Incrementalized Approach to Emergency Airway Management."

June 26th, 2017 Airway Workshop Instructor, SMACC conference, DAS SMACC, Berlin, Germany. Nasoendoscopy workshop director and speaker, Social media and critical Care Conference, .

June 20-21, 2017 Speaker and Course Director, "Emergency Airway Masterclass," Two full day airway workshops, Glasgow Scotland. Sponsored by Critical Care Events/Medreach, Glasgow Scotland.

- May 25-26, 2017 Speaker, Inter-American Emergency Medicine Congress (IAEMC17), San Jose, Costa Rica. "An Incrementalized Approach to Managing Hypoxia and Emergency Intubation."
- May 16th, 2017 Speaker, Managing Medical Emergencies Meeting, Dartmouth (Geisel) School of Medicine, Lebanon NH. "Crisis Performance in Emergency Airways."
- April 26th, 2017 Course Director, Half-day Airway Workshop, Department of Critical Care, Jackson Memorial Hospital, Miami FL.
- April 13th, 2017 Grand Rounds Speaker, Department of Emergency Medicine, Duke University Medical Center, Durham NC. "Crisis Performance in Emergency Airways."
- March 23, 2017 Course Director, Calstar Airway Workshop, Salinas CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.
- March 22, 2017 Course Director, Calstar Airway Workshop, Sacramento CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.
- March 21, 2017 Course Director, Calstar Airway Workshop, Salinas CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.
- March 9-10, 2017 Airway Workshop Director, full day didactic/hands-on workshop for critical care and emergency physicians and nurses, Hackensack Medical Center, Hackensack NJ. . Full-day airway procedure course using custom designed intubation and surgical airway models. Two separate groups over 2 days.
- Feb. 15th, 2017 Grand Rounds Speaker, University of Utah Emergency Medicine Department, Salt Lake City UT. "Doing Well, being Well in Emergency Medicine", "An Incrementalized Approach to Hypoxia and Laryngoscopy", and "Save a Life-Cut the Neck."
- Jan. 19-20, 2017 Course Director and primary lecturer, 2 day cadaveric airway workshop, University of Queensland, Brisbane Australia. 2-day airway management workshop, involving didactic lectures and mannequin practice (day 1), and cadaver practice (day 2).
- Dec. 15th, 2016 Airway Workshop Director, full day didactic/hands-on workshop for Emergency Medicine Residents, Naval Medical Center San Diego. Full-day airway procedure course using custom designed intubation and surgical airway models, and nasoendoscopes for EM physicians.
- Oct. 21-24, 2016 Keynote Speaker, 2016 Austral-Asian College of Emergency Medicine, Queenstown NZ. Lectures on: "Doing Well, being Well in Emergency Medicine", "An Incrementalized Approach to Hypoxia and Laryngoscopy", and "Save a Life-Cut the Neck."

- October 20th, 2016 Airway Workshop Director, 2016 Austral-Asian College of Emergency Medicine, Queenstown NZ. Full-day airway procedure course using custom designed intubation and surgical airway models, and nasoendoscopes for EM physicians.
- October 15th, 2016 "Challenging Airways" Emergency Department Presentation, Middle Park Medical Center, Granby Colorado.
- Sept. 24th, 2016 Course Director, "Emergency Airway Masterclass," Full-day airway workshop sponsored by Critical Care Events/Medreach, Glasgow Scotland.
- Sept. 17th, 2016 Keynote Speaker, Denver Air Care Airway Conference, Lakewood CO. "Crisis Response in Emergency Airways", "Save a Life Cut the Neck", and "An Incrementalized Approach to Direct and Video Laryngoscopy."
- Sept. 2-4th, 2016 Keynote and General Session Speaker, Conceptos 2016 Conference, Santiago Chile. "Crisis Response in Emergency Airways", "Save a Life Cut the Neck", and "An Incrementalized Approach to Direct and Video Laryngoscopy."
- Sept. 1st, 2016 Airway Workshop Course Director, Conceptos 2016 Conference, Santiago Chile. Full-day airway procedure course using custom designed intubation and surgical airway models, for EM physicians.
- August 11th, 2016 Speaker, Airway Workshop Director, San Antonio Military Medical Center, Emergency Medicine Residency Program. San Antonio TX. Half-day workshop including hands-on practice with direct and video laryngoscopes, and fiberoptic devices.
- August 3rd, 2016 Course Director, Airway Workshop for Episcopal Hospital (Temple University) Emergency Department. Full-day airway procedure course using custom designed intubation and surgical airway models, and nasoendoscopes for EM physicians.
- August 2nd, 2016 Course Director, Airway Workshop for Smyrna Delaware Emergency Department. Full-day airway procedure course using custom designed intubation and surgical airway models, for EM physicians.
- July 14-15th, 2016 Course Director, Mayo Clinic, Rochester MN. Full-day airway procedure course using non-embalmed cadavers, custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM residents, attendings, nurse practitioners and physician assistants.
- July 11th, 2016 Grand Rounds, University of Vermont, Department of Emergency Medicine: "Crisis Response in Emergency Airways", "Save a Life Cut the Neck", and "An Incrementalized Approach to Direct and Video Laryngoscopy."
- July 10th, 2016 Course Director, University of Vermont, Burlington VT. Full-day airway procedure course using, custom designed intubation and surgical airway models, for EM physicians.
- June 13th, 2016 Nasoendoscopy workshop director, part of Social Media and Critical Care Conference (SMACCus) pre-conference airway workshop, Chicago IL.

- May 25th, 2016 Course Director, full-day Emergency Airway Management Workshop. For EM residents, students and faculty. Hands-on practice with direct and video laryngoscopes, nasoendoscopy, and surgical cricothyrotomy models. UNMD-NJ Rowan School of Osteopathic Medicine, Stratford NJ.
- April 28th, 2016 Airway Workshop Course Director, Ben Taub Department of Emergency Medicine. Full day didactic and hands-on airway workshop for attending and resident physicians.
- April 19th, 2016 Airway Workshop Director, (mannequin and cadaver course), sponsored by Classic Air Medical Service, Salt Lake City, Utah. Full day didactic and hands-on airway workshop for flight medics and nurses.
- April 13th, 2016 Grand Rounds Speaker, Boston Medical Center, Department of Emergency Medicine, Boston MA. "The VAPOR'S-Safety and Oxygenation in Emergency Airways."
- January 24th, 2016 Speaker, Emergency Medicine Update, Stowe Vermont. Sponsored by the Department of Emergency Medicine, University of Vermont. "Crisis Response in Emergency Airways."
- Jan. 21-22, 2016 Director, Advanced Emergency Airway Course, University of Auckland, Auckland, New Zealand. 2-day airway management workshop, involving didactic lectures and mannequin practice (day 1), and cadaver practice (day 2).
- January 14th, 2016 Course director, Calstar Airway Workshop, Salinas CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.
- January 13th, 2016 Course director, Calstar Airway Workshop, Sacramento CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.
- January 11th, 2016 Speaker, "Airway Trauma & Trauma Airways." Resutsu Resort, Hokkaido Japan. Hokkaido Trauma Conference, sponsored by the Department of Anesthesia, Royal Melbourne Hospital, Melbourne Australia.
- January 11th, 2016 Airway Workshop Director; Laryngoscopy (video and direct) and Cricothyrotomy. Resutsu Resort, Hokkaido Japan. Hokkaido Trauma Conference, sponsored by the Department of Anesthesia, Royal Melbourne Hospital, Melbourne Australia.
- Dec. 10th, 2015 Grand Rounds Speaker, Lehigh Valley Hospital, Department of Emergency Medicine. "Rethinking Airway Management."
- Dec. 2nd, 2015 Grand Rounds Speaker, Department of Emergency Medicine, SUNY Stony Brook, Stony Brook, NY. "An Incrementalized Approach to Hypoxia, Intubation, and Cricothyrotomy," and "What Every Emerg Doc Should Know About Airway Anatomy and Physiology."

Dec. 2, 2015 Airway Workshop Director, Half-day EM Resident airway management workshop. Department of Emergency Medicine, SUNY Stony Brook, Stony Brook, NY.

Nov 12th, 2015 Plenary Speaker, Front of Neck Access: Open Cricothyrotomy, World Airway Management Meeting, Convention Center, Dublin, Ireland. [Difficult Airway Society of UK and Ireland, and Society of Airway Management, USA.]

Nov. 11th, 2015 Faculty, Tracheostomy Master Workshop, at the Royal College of Surgeons Ireland. Pre-conference workshop at World Airway Management Meeting, Dublin, Ireland [Difficult Airway Society of UK and Ireland, and Society of Airway Management, USA.]

Nov. 4th, 2015 Course director and Grand Rounds presenter, Half-day Airway Workshop, Mt. Sinai Hospital Department of Emergency Medicine, Miami Beach FL. Half-day airway procedure course custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM residents.

Nov. 3rd, 2015 Course director and presenter, Full-day Airway Workshop, Jackson Memorial Hospital, Department of Emergency Medicine, Miami FL. Full-day airway procedure course using custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM faculty.

Oct. 11, 2015 Speaker, European Society of Emergency Medicine. "An Incrementalized Approach to Emergency Airway Management," Torino Italy.

Oct. 11, 2015 Workshop faculty, Airway Management Workshop. European Society of Emergency Medicine, Torino Italy.

Sept. 25th, 2015 Speaker, Hamut Medical Center, Emergency Medicine Conference, Erie PA. "The Vapors and Resuscitation Sequence Intubation."

Sept. 9th, 2015 Course director and speaker, Full-day Airway Workshop, Granby CO. Sponsored by Middle Park Medical Center, Kremling CO.

Aug. 20-21, 2015 Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia.

Aug. 17-18, 2015 Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia.

August 11th, 2015 Grand Rounds Presentation, "The Vapors: Emergency Airway Management Is Not Just About The Tube." Landspítali University Hospital, Reykjavik Iceland.

July 25th, 2015 Course Director, Mayo Clinic, Rochester MN. Full-day airway procedure course using non-embalmed cadavers, custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM residency faculty.

July 24th, 2015 Course Director, Mayo Clinic, Rochester MN. Full-day airway procedure course using non-embalmed cadavers, custom designed intubation and surgical airway models, and nasoendoscopy workshop for EM residents.

July 22nd, 2015 Course Director, Practical Emergency Airway Management Workshop, Emergency Medicine Department, Broward Health, Coral Springs FL. Full day hands-on workshop and didactic presentations.

July 21, 2015 Grand Rounds Speaker, Vanderbilt Emergency Medicine Residency Program, Nashville TN. "The 4 Horsemen of Emergency Airway Management."

July 21, 2015 Speaker, Vanderbilt Emergency Medicine Residency Program, Nashville TN. "VAPORS-Its not just about the tube, it's the VAPORS."

July 14th, 2015 Plenary session speaker, Wilderness Medicine Society Annual Conference, Breckenridge CO. "Save a life, Cut the Neck."

July 14th, 2015 Faculty, Surgical Airway Workshop, Wilderness Medicine Society Annual Conference, Breckenridge CO.

June 26, 2015 Speaker, Social Media and Critical Care Conference (SMACCus), Chicago, IL. "Extreme Airways."

June 23rd, 2015 Nasoendoscopy workshop director, part of Social Media and Critical Care Conference (SMACCus) pre-conference airway workshop, Chicago IL.

June 21, 2015 Course director, Practical Emergency Airway Management. Full day course for Summit Air (medical helicopter transportation service), Bozeman MT.

May 28th, 2015 Speaker, High Risk Emergency Medicine, New York City, NY. Sponsored by Center for Emergency Medical Association. "High Risk Airways: preventing Hypoxia and Cutting the Neck."

May 21-22, 2015 Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia

May 18-19, 2015 Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia

May 4th, 2015 Speaker, Managing Medical Emergencies Meeting, Dartmouth (Geisel) School of Medicine, Lebanon NH. "An Incrementalized Approach to Airway Management."

April 16th, 2015 Instructor, Airway Workshop for Emergency Medicine residents, Israeli National Simulation Center, Tel Aviv, Israel.

April 15th, 2015 Israeli National Emergency Medicine Association Meeting, Tel Aviv, Israeli. Keynote Speaker: "Crisis Performance and Emergency Airway Management."

March 25th, 2015 Course director, Practical Emergency Airway Management. Full day course for Summit Air (medical helicopter transportation service), Elko NV.

March 22, 2015 Speaker, Glassboro Regional EMS Conference, Glassboro NJ. "Crisis Performance in Emergency Airway Management."

- Feb. 16-20th, 2015 Speaker and Airway Workshop leader, multiple different hospitals within JADECOM (Japanese Association for Development of Community Medicine) Hospitals, Tokyo and other cities, Japan.
- January 13th, 2015 Course director, Calstar Airway Workshop, Sacramento CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.
- January 12th, 2015 Course director, Calstar Airway Workshop, Salinas CA. Full-day airway workshop, including lectures on Patient Safety, Anatomy, Oxygenation, Laryngoscopy, Video Laryngoscopy, Pediatrics and Surgical Airways. Hands-on sessions on direct and video laryngoscopy, and surgical airways.
- Dec. 18th, 2014 Grand Rounds speaker, Hartford Hospital, Hartford CT, Dept. of Emergency Medicine. "Crisis Performance Improvement in Emergency Airways".
- Dec. 17th, 2014 Speaker, Norwalk Hospital, Norwalk CT., Dept. Emergency Medicine. "Patient Safety and Oxygenation."
- Dec. 6, 7, 2014 Speaker, 2014 Cabo Emergency Medicine Conference, Cabo San Lucas, Mexico. "Pulse Ox 60!" and "Cric Revisited". Airway Workshop director (surgical airway and video laryngoscopy).
- Nov. 28-30, 2014 Speaker, National Airway Conference, Mumbai, India, sponsored by All Indian Airway Association and Tata Memorial Hospital. Plenary sessions: "O's Up the Nose, Surgical Airway." Break Out Session: "Crisis Performance Improvement." Workshop leader, "Cricothyrotomy."
- Nov. 13th, 2014 Speaker, Difficult Airway Society Annual Meeting (Society Of Anesthetists of Great Britain and Ireland), Stratford-on-Avon, United Kingdom. "Psychology of Airway Management."
- Nov. 12th, 2014 Workshop leader, cadaveric airway workshop, Difficult Airway Society Annual Meeting (Society Of Anesthetists of Great Britain and Ireland), Stratford-on-Avon, United Kingdom.
- October 2nd, 2014 Speaker and workshop faculty, Controversies and Consensus Emergency Medicine Conference, The Hotel Northampton, Northampton MA, Sponsored by the Baystate Medical Center Department of Emergency Medicine. "Cric 2.0: Cut the Neck and Save a Life."
- October 1st, 2014 Director, nasoendoscopy and surgical airway workshop, Dartmouth Emergency Medicine residency, Dartmouth Hitchcock Medical Center, Lebanon NH.
- Sept. 20th, 2014 Roundtable Discussion Leader, "Pre-Hospital and ED Airway Challenges," and "Nasoendoscopy: How to Learn and Use This Technique."
- Sept. 19th, 2014 Workshop faculty, Surgical Airways, Society for Airway Management Annual Meeting, Seattle Washington

- Sept. 11th, 2014 Grand Rounds speaker, Department of Anesthesia, San Juan Hospital, San Jose Costa Rica. "A Best Practice Approach to Laryngoscopy," and "Safety in Emergency Airways."
- Sept. 10th, 2014 Speaker, Central American Congress of Anesthesiology, San Jose, Costa Rica. "Alternative Methods of Intubation," "Safety in Emergency Airways," and "Cutting the Neck: Surgical Airways."
- August 13th, 2014 Course Director, full-day Emergency Airway Management Workshop. For EM residents, students and faculty. Hands-on practice with direct and video laryngoscopes, nasoendoscopy, and surgical cricothyrotomy models. UNMD-NJ School of Osteopathic Medicine, Stratford NJ.
- July 28th, 2014 Course director, Emergency Medicine Department, Campbell River Hospital (Vancouver Island Health Authority). Painter's Lodge, Campbell River British Columbia, Canada. Full-day airway workshop, including lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation Hands-on practice with video and direct laryngoscopes, and surgical airways.
- July 25th, 2014 Course Director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers and nasoendoscopy workshop for EM residency faculty.
- July 24th, 2014 Course Director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers and nasoendoscopy workshop for EM residents.
- July 2nd, 2014 Grand Rounds Speaker, Emergency Medicine Department, Baystate Medical Center, Springfield MA. "Oxygenation, Pediatric Airways, and Airway Algorithms."
- June 19th, 2014 Course director, Emergency Medicine Department, Ohio Valley Medical Center, Wheeling WV. Full-day airway workshop, including lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation Hands-on practice with video and direct laryngoscopes, surgical airways and nasoendoscopy.
- June 11th, 2014 Course director, Emergency Medicine Department, Episcopal Campus of Temple University Hospital, Philadelphia, PA. Full-day airway workshop, including lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation Hands-on practice with video and direct laryngoscopes, surgical airways and nasoendoscopy.
- June 10th, 2014 Speaker, The 11th New York Symposium: Neurological Emergencies & Neurocritical Care, NY Academy of Medicine, sponsored by Mt. Sinai Icahn School of Medicine. "It's not Laryngoscopy, It's Epiglottoscopy." and "Surgical Airways: Why we don't cut when we should, and how we get it wrong."
- June 4th, 2014 Course Director, half-day Emergency Airway Management Workshop. For EM senior residents, NYU-Bellevue Emergency Medicine Department, NYC, NY.

June 4 th , 2014	Grand Rounds, NYU-Bellevue Emergency Medicine Department, NYC, NY. "Safety and Oxygenation in Emergency Airways" and "Pediatric Airways."
June 2 nd , 2014	Keynote Speaker, Mount Carmel Hospital, Acute Management of the Difficult Airway Workshop. Columbus OH.
May 7 th , 2014	Speaker, Massachusetts Chapter ACEP Annual Meeting, "The Psychology of Emergency Airway Management." Needham MA.
May 5 th , 2014	Speaker, Dartmouth (Geisel School of Medicine) Managing Medical Emergencies Conference. "Mental Toughness and Emergency Airway Management." Lebanon NH.
April 24, 2014	Speaker, Airway Workshop Director, San Antonio Military Medical Center, Emergency Medicine Residency Program. San Antonio TX. Half-day workshop including hands-on practice with direct and video laryngoscopes, and fiberoptic devices.
April 23, 2014	Speaker, High Risk Emergency Medicine, Las Vegas NV. "The Psychology of Airway Management."
April 22, 2014	Course director, Calstar Airway Workshop Ukiah CA, Full-day airway workshop, including lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation.
April 2, 2014	Speaker, Grand Rounds, Emergency Medicine Department, Yale University. "The Psychology of Airway Management" and "Safety and Oxygenation in Emergency Airway Management."
March 23, 2014	Speaker, Social Media and Critical Care Conference (SMACC), Gold Coast Australia. "Own the Airway" [plenary session], "Airway Dogmalysis" and "Alien Airways, Pediatric Airway Management."
March 18 th , 2014	SMACC Airway Workshop leader, Nasoendoscopy and Fiberoptic Intubation. Gold Coast, Australia.
March 13-14, 2014	Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia
March 10-11, 2014	Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia
Feb. 12-14, 2014	Speaker, American Academy Emergency Medicine, Annual Scientific Assembly, NYC, NY. "Nasal Oxygenation" and "Direct Laryngoscopy is Obsolete."
Jan. 8 th , 2014	Speaker, Mt. Sinai/EMCRIT Critical Care Conference, NYC. "Cric to Cure" and "It's All About Epiglottoscopy."
Dec. 18 th , 2013	Grand Rounds Speaker, Long Island Jewish/North Shore Hospital Combined Emergency Medicine Department Grand Rounds, New Hyde Park, NY. "Surgical airways: Why we don't cut when we should, and how we fail when we do." And "Safety and Oxygenation in Emergency Airways."

Dec. 15th, 2013 General Session Speaker, Special Operations Medical Association, Tampa Florida. "Why we don't cut when we should, and how it goes wrong when we do."

Nov. 2-4th, 2013 Speaker, Essentials Conference, San Francisco CA. "VL is not DL," "Cric to Cure," and "New Tools for the Surgical Airway." Awake intubation demonstration with Darren Braude.

Oct. 20-26, 2013 Lecturer, Japanese Association for Development of Community Medicine Hospitals throughout Japan, including: Mie Prefectural Shima Hospital, Yokosuka City Hospital, Nara City Hospital, Yokosuka City Hospital, Nerima Hikarigaoka Hospital, Tokyobay Urayasu/Ichikawa Medical Center.

Sept. 21-23, 2013 Speaker, Society for Airway Management, Philadelphia PA. "Roundtable Discussion Teaching/Learning Nasoendoscopy," "Roundtable Discussion Emergency Airway Management," and "Pro-Con Video vs. Direct Laryngoscopy in Emergency Airways."

Sept. 19, 2013 Course Director, full-day Emergency Airway Management Workshop. For EM residents and students. UNMD-NJ School of Osteopathic Medicine, Stratford NJ.

Aug. 22-23, 2013 Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia.

Aug. 19-20, 2013 Course Director, 2 day Airway Workshop and Cadaver Course, Sydney Skill Centre, Royal North Shore Hospital, Sydney Australia.

August 7th, 2013 Course Director, Airway Management Workshop for Emergency Medicine Specialists (Wheaton Franciscan Hospital), an ED physician group in Milwaukee, WI.

July 26th, 2014 Course Director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers and nasoendoscopy workshop. Lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation.

July 17th, 2013 Course Director, Airway Management Workshop for Hospitalist Physicians, Bon Secours Medical Center, Baltimore MD.

July 12th, 2013 Course Director, full-day Emergency Airway Management Workshop. For EM residents and students. UNMD-NJ School of Osteopathic Medicine, Stratford NJ.

June 13th, 2013 Course Director, Airway Management Workshop for Respiratory Therapists, Kindred Hospital, Rahway NJ.

May 21st, 2013 Speaker, Managing Medical Emergencies Conference, Dartmouth-Hitchcock Medical Center, Geisel School of Medicine, Lebanon NH. "Safety and Oxygenation in Emergency Airways."

May 17-18, 2013 Speaker and Keynote Speaker, Irish Congress of Anesthesia, Dublin Ireland. "Complexities of Intubation," and "Learning from the Dead: Cadaveric Airway Education."

May 14, 2013 Grand Rounds Speaker, Emergency Medicine Department, Geisinger Medical Center, Danville PA. "Surgical Airways,"

- "The History of Laryngoscopy and It's Relevance to Modern Airway Management," and "Pediatric Intubation."
- May 9th, 2013 Speaker, High-Risk Emergency Medicine, sponsored by the Center for Emergency Medical Education, Las Vegas NV. "The Emergency Airway: A Thousand Ways to Die."
- April 17th, 2013 Grand Rounds Speaker, Emergency Medicine Department, Northwestern University Medical Center, Chicago IL. "Anatomic Insights, Positioning, Passive Oxygenation and Patient Safety in Emergency airway Management."
- April 12th, 2013 Speaker, Texas College of Emergency Physicians Annual EM Conference, Frisco TX. "Patient Safety and Oxygenation in Emergency Airways."
- April 11th, 2013 Workshop Faculty, Texas College of Emergency Physicians Airway Management Workshop, Frisco TX.
- April 9th, 2013 Speaker, High-Risk Emergency Medicine, sponsored by the Center for Emergency Medical Education, Las Vegas NV. "The Emergency Airway: A Thousand Ways to Die."
- March 20, 2013 Speaker, High-Risk Emergency Medicine, sponsored by the Center for Emergency Medical Education, Las Vegas NV. "The Emergency Airway: A Thousand Ways to Die."
- March 19th, 2013 Speaker, Pediatric Boot Camp, sponsored by the Center for Emergency Medical Education, Las Vegas NV. "Pediatric Laryngoscopy and Airway Devices."
- January 15th, 2013 Grand Rounds Speaker, Lankenau Medical Center (main Line Health), Dept. of Anesthesia, Wynnewood PA. "Difficult Airway Update."
- Dec. 20th, 2012 Director and Speaker, Airway Workshop, Doylestown Hospital, Doylestown PA. Full-day airway course (and hands-on device practice) for Emergency Medicine Department at Doylestown Hospital.
- Dec. 19th, 2012 Grand Rounds Speaker, Portsmouth Naval Medical Center, Department of Emergency Medicine, Portsmouth VA. "Patient Safety and Oxygenation," "Anatomic Insights and Emergency Airway Management," and "The Surgical Airway."
- December 5th, 2012 Grand Rounds Speaker, "Patient Safety and Oxygenation," and "Anatomic Insights and Emergency Airway Management." Dept. Emergency Medicine, Drexel University, Hahnemann University Hospital, Philadelphia PA.
- Nov. 22nd, 2012 Speaker, "The Role of the Surgical Airway in Emergency Airway Management," Difficult Airway Society of the Anesthetists of Great Britain and Ireland, Cardiff, Wales.
- Nov. 21st, 2012 Airway Workshop faculty, Difficult Airway Society of the Anesthetists of Great Britain and Ireland, Cardiff, Wales.
- Nov. 16th, 2012 Speaker, International Congress of Cardiovascular Anesthesiologists, Auckland, New Zealand. "Epiglottoscopy, Positioning, The Neglected Orifice and The Prevention of Desaturation." Auckland, New Zealand.

Nov. 15th, 2012 Guest Lecturer, Anesthesia Continuing Education Program. "Epiglottoscopy, Positioning, The Neglected Orifice and The Prevention of Desaturation." Auckland City Hospital, Auckland New Zealand.

Nov. 15th, 2012 Airway Workshop Faculty, International Congress of Cardiovascular Anesthesiologists, Auckland, New Zealand.

Nov. 14th, 2012 Keynote Speaker, Workshop Faculty. Airway Skills Course, Auckland City Hospital, Auckland New Zealand.

October 29, 2012 Grand Rounds Speaker, Depart of Anesthesiology, Oregon Health Sciences University, Portland OR. "Positioning, Pre-Oxygenation & Prevention Desaturation in Emergency Airway Management."

Sept. 21st, 2012 Speaker, Society for Airway Management Annual Meeting, Toronto, Canada. "Learning from the dead: Cadaver based airway education."

August 1st, 2012 Course Director, Airway Management Workshop for Respiratory Therapists, Kindred Hospital, Wayne NJ.

July 27th, 2012 Course Director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers and nasoendoscopy workshop. Lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation.

June 11th, 2012 Speaker, Current Trends in Airway Management, sponsored by AMBU Inc., European Society of Airway Management, Paris France.

May 25th, 2012 Course Director, full-day Emergency Airway Management Workshop. For EM residents and students. UNMD-NJ School of Osteopathic Medicine, Stratford NJ.

May 17th, 2012 Speaker, "Emergency Airway Management," Stamford CT, EMS, sponsored by Stamford Hospital and Emergency Medicine Physicians (EMP), Stamford CT.

April 20th, 2012 Grand Rounds Speaker, The San Antonio Uniformed Services Health Education Consortium (SAUSHEC) residency in Emergency Medicine, Brooke Army Medical Center, San Antonio, TX.

March 31st, 2012 Speaker, Mid-Atlantic Wilderness Medicine Student Conference, sponsored by Thomas Jefferson School of Medicine, Philadelphia PA. "Adventures Up High - An Introduction to Altitude Illness."

March 24th, 2012 Speaker, Pediatric Boot Camp, sponsored by the Center for Emergency Medical Education, Las Vegas NV. "Pediatric Laryngoscopy and Airway Devices."

March 5th, 2012 Speaker, Emergencies in Medicine Conference, sponsored by Wayne State, Canyons Escala Resort, Canyons Utah. "Emergency Airway Management: Easy Until its Hard."

Feb. 16th, 2012 Grand Rounds Speaker, Department of Anesthesiology and Critical Care Medicine, Johns Hopkins Medical Center,

- Baltimore MD. "The History of Direct Laryngoscopy and Its Relevance to Current Intubation Techniques."
- Jan. 31st, 2012 Course Director, Emergency Airway Management Workshop, San Rafael Fire Department, San Rafael CA. Full-day workshop with didactics and hands-on equipment practice.
- Jan. 18th, 2012 Course Director, Emergency Airway Management Workshop, University of Medicine and Dentistry New Jersey, School of Osteopathic Medicine, Department of Emergency Medicine, Strafford NJ. Full-day workshop with didactics and hands-on equipment practice.
- January 17, 2012 Grand Rounds Speaker, Vanderbilt University Medical Center, Department of Emergency Medicine, Nashville TN. "Expanding the margin of safety in emergency airway management."
- Dec. 4-9th, 2011 Speaker, Current Concepts in Emergency Care, Wailea, Maui, Hawaii. "Management of the Impossible Airway", and "Video Laryngoscopes."
- Oct. 17th, 2011 Grand Rounds speaker, Hartford Hospital, Hartford CT, Dept. of Emergency Medicine. "Preventing Desaturation and Expanding the Margin of Safety in Emergency Airways".
- Sept. 15-18, 2011 Speaker, Society for Airway Management Conference, Scottsdale AZ. Moderator, "Airway Emergencies Outside the Operating Room," Roundtable discussion: "Airway Equipment for Emergency Departments." Speaker, "Dare to Share: Case Examples in Emergency Airway Management."
- August 16th, 2011 Course director, Albany Medical Center, Emergency Department Full-day airway workshop, including lectures on laryngoscopy, video laryngoscopes, nasoendoscopy, rescue ventilation, and rescue intubation.
- July 29th, 2011 Course director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers and nasoendoscopy workshop. Lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation.
- July 27th, 2011 Course director, Radnor Fire Department, Radnor PA. Full-day airway workshop for EMS personnel. Lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation.
- July 14th, 2011 Course director, Ukiah Hospital Emergency Department and Calstar, Ukiah CA, Full-day airway workshop, including lectures on laryngoscopy, video laryngoscopes, rescue ventilation, and rescue intubation.
- June 23, 31st, 2011 Airway Orientation and Nasoendoscopy Workshops, Jefferson Emergency Medicine Residency Program, Philadelphia PA.
- June 15th, 2011 Grand Rounds speaker, Bellevue Hospital Emergency Medicine Residency Program, NYC. "Safety and Oxygenation in Emergency Airway Management," and "Video Laryngoscopes" and "Best Practice Laryngoscopy."

- April 10th, 2011 Airway Workshop Director, Pennsylvania Chapter of American College Emergency Physicians Scientific Assembly. Harrisburg, PA.
- Apr 1, May 16, 2011 Course Director, full-day Emergency Airway Management Workshop. For EM faculty, NYU-Bellevue Emergency Medicine Department, NYC, NY.
- March 30th, 2011 Course Director, full-day Emergency Airway Management Workshop. For EM residents and students. UNMD-NJ School of Osteopathic Medicine, Stratford NJ.
- March 28th, 2011 Speaker, Tennessee ACEP meeting, "Video Laryngoscopes and Safety and Oxygenation in Emergency Airways." Chattanooga Tennessee.
- March 19th, 2011 Speaker, "Video Laryngoscopes," "Optical Stylets," and "Best Practice Laryngoscopy." Auckland City Symposium 2011, Anesthesia Conference, Auckland NZ.
- March 18th, 2011 Speaker and workshop faculty, Airway Skills Course, Auckland City Hospital, Auckland NZ. One-day, hands-on workshop with difficult airway devices and direct laryngoscopy.
- Feb. 26-27, 2011 Speaker, Jefferson Anesthesia Conference, Big Sky Resort, MT. "Case Examples in Emergency Airway Management," Controversies and Trends in Emergency Airway Management, and "A Comparative Look at Video Laryngoscopes."
- Feb. 12th, 2011 Course Director, Emergency Airway Management Workshop, Platte Valley Medical Center, Brighton CO. Didactic and manikin course for emergency physicians, hospitalists, and anesthesia providers.
- Jan. 19th, 2011 Grand Rounds Speaker, "Emergency Airway Management: A Practical Approach to Enhance Patient Safety." Pulmonary Medicine, Jefferson Medical College, Philadelphia PA.
- Jan. 10th, 2011 Grand Rounds Speaker, "Emergency Airway Management: A Practical Approach to Enhance Patient Safety." UMDNJ New Brunswick Emergency Medicine Residency Program, New Brunswick NJ.
- Jan. 6th, 2011 Grand Rounds Speaker, "Emergency Airway Management: A Practical Approach to Enhance Patient Safety." Christiana Hospital Emergency Medicine Residency program, Newark DE.
- Dec. 16th, 2010 Workshop co-instructor, "Airway Management for Special Operation Forces'" Special Operations Medical Association 2010 Annual Meeting, Tampa FL.
- Nov. 11-12, 2010 Course Director, "Practical Emergency Airway Management," San Francisco Paramedic Association and San Francisco County Coroner's Office (full day didactic session, mannequin and cadaver workshops), San Francisco CA.
- Nov. 3rd, 2010 Speaker, "Trauma Airway Management," Jefferson Trauma Conference, sponsored by the Pennsylvania Chapter of the American College of Emergency Physicians.

Nov. 1st, 2010 Course Director, Emergency Airway Management Workshop, Good Samaritan Hospital Emergency Department, Islip NY.

October 10, 2010 Advanced Airway Management Workshop, Houston Tx. One-day airway management workshop for non-anesthesiologists, non-emergency physicians, organized by Sedation Consulting, Inc.

July 30th, 2010 Course director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers. Lectures on laryngoscopy, nasal intubation, rescue ventilation, and rescue intubation.

July 28th, 2010 Visiting Professor and Grand Rounds Presenter, University of Maryland Emergency Medicine Residency Program, Baltimore Maryland. "Airway Algorithms, RSI and Patient Safety in Emergency Airway Management," and "Laryngoscopy Strategy and Techniques."

May 14th, 2010 Speaker, "The Definitive EMS Airway Course". California Fire, EMS, and Disaster Conference & Expo (CFED West 2010). Palm Springs Convention Center, Palm Springs, CA.

April 14th, 2010 Course Director, Emergency Airway Management workshop. Pennsylvania Chapter of the American College of Emergency Physicians Annual Meeting, Valley Forge PA.

March 31st, 2010 Grand Rounds Speaker, University of Utah Health Sciences Center, Department of Emergency Medicine, Salt Lake City UT. The Complexities of Intubation with Direct Laryngoscopy and Alternative Intubation Devices.

March 6th, 2010 Speaker, 10th Annual Templeton Trauma Symposium, Philadelphia PA. "Practical Emergency Airway Management."

Feb. 18, 2010 Speaker, Michigan State University Anesthesia Residents Conference, Brighton MI. "Practical Emergency Airway Management" and "Best Practice Laryngoscopy: A Strategy for First Pass Success."

Nov, 12-13th 2009 Course Director, "Practical Emergency Airway Management," San Francisco Paramedic Association and San Francisco County Coroner's Office (full day didactic session, mannequin and cadaver workshops), San Francisco CA.

Sept. 25th, 2009 Speaker, "Establishing Competency In Airway Management: ED Physicians." Society for Airway Management Annual Conference, Las Vegas, NV.

Sept. 18th, 2009 Speaker, "Challenges of Airway Management in the Emergency Department." Hamot Medical Center's 2009 Emergency Medicine Conference, Erie PA.

Sept. 11-12th, 2009 Workshop Director and Lecturer, Emergency Airway Management course, Royal Flying Doctors Service, Cairns, Australia. Didactic and hands-on mannequin course.

August 7th, 2009 Course director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers. Lectures on laryngoscopy, nasal intubation, rescue ventilation, and rescue intubation.

June 25th, 2009 Course Director, Practical Emergency Airway Management Course, St. Mary's Medical Center, Jackson WY. Didactic and hands-on mannequin course for Emergency Physicians and Grand Teton National Park Paramedics.

June 12th, 2009 Speaker, UK Critical Care Society and College of Emergency Medicine Inaugural Joint Meeting, "Critical Care at the Front Door." "Tips, Toys, and Tricks in Emergency Airway Management."

April 13th, 2009 Course Director, Emergency Airway Management workshop. Pennsylvania Chapter of the American College of Emergency Physicians Annual Meeting, Pittsburgh PA.

April 8th, 2009 Grand Rounds Speaker, University of Utah Health Sciences Center, Department of Emergency Medicine, "Secrets of Intubation and Direct Laryngoscopy," and "Patient Safety in Emergency Airway Management."

March 24th, 2009 Speaker, Philadelphia College of Osteopathic Medicine Advanced Emergency Medicine Conference, "Assessment and Management of the Injured Airway."

Feb. 18th, 2009 Grand Rounds Speaker, Hospital of the University of Pennsylvania, Department of Emergency Medicine, "Secrets of Airway Management."

Feb. 16th, 2009 Course Director, full day airway workshop, Greenville Memorial Hospital, Greenville SC.

Dec. 13th, 2008 Airway workshop instructor, Post-Graduate Assembly, New York State Society of Anesthesiology, New York, NY.

Nov. 18th, 2008 Ross Memorial Lecture, Grand Rounds Speaker, Vanderbilt Medical Center, Department of Emergency Medicine, Nashville TN.

Nov. 13th, 2008 Grand Rounds speaker (Anesthesiology; Practical Emergency Airway Management) and full-day Airway Workshop Director, Department of Emergency Medicine, Hershey Medical Center, Hershey PA. Lectures on laryngoscopy, nasal intubation, rescue ventilation, and rescue intubation.

Nov. 11-12, 2008 Course Director, "Practical Emergency Airway Management," San Francisco Paramedic Association and UCSF Medical Center Department of Anatomy (full day didactic session, mannequin and cadaver workshops), San Francisco CA.

Sept 19th 2008 Speaker, Society of Airway Management Annual Meeting, Boston MA, Fiberoptic Augmentation of Direct Laryngoscopy.

August 8th, 2008 Course director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers. Lectures on laryngoscopy, nasal intubation, rescue ventilation, and rescue intubation.

May 16th, 2008 Speaker, "Practical Emergency Airway Management," Inaugural Scientific Meeting, The College of Emergency Medicine of the United Kingdom, London.

April 14, 2008 Course Director, "Practical Emergency Airway Management," Contra Costa Emergency Services, Pittsburgh CA.

April 7th, 2008 Course Director, Emergency Airway Management workshop. Pennsylvania Chapter of the American College of Emergency Physicians Annual Meeting, Harrisburg PA.

Mar. 24-25, 2008 Course Director, "Practical Emergency Airway Management," San Francisco Paramedic Association and UCSF Medical Center Department of Anatomy (full day didactic session, mannequin and cadaver workshops), San Francisco CA.

Mar. 3rd, 2008 Grand Rounds speaker and full day Airway Workshop Director, Department of Emergency Medicine, Baptist Hospital, Miami FL. "First Pass Laryngoscopy Strategies and Patient Safety in Emergency Airway Management."

Feb. 14th, 2008 Grand Rounds speaker, Department of Emergency Medicine, University of Pittsburgh Medical Center, Pittsburgh PA. "First Pass Laryngoscopy Strategies and Patient Safety in Emergency Airway Management."

Feb. 13th, 2008 Grand Rounds speaker, Department of Critical Care Medicine, University of Pittsburgh Medical Center, Pittsburgh PA. "First Pass Laryngoscopy Strategies and Patient Safety in Emergency Airway Management."

Jan. 15th, 2008 Speaker, Airway Skills Workshop, hosted by New Zealand Society of Anesthesia, Auckland Hospital, Auckland NZ.

Jan. 14th, 2008 Speaker, Department of Emergency Medicine, Auckland Public Hospital, Auckland NZ. "First Pass Laryngoscopy Strategies and Patient Safety in Emergency Airway Management."

Jan. 12, 2008 Workshop Director, Emergency Airway Management, Royal Flying Doctors Service, Cairns, Australia.

Nov. 23, 2007 Laryngoscopy workshop Director, Difficult Airway Society meeting (Society of Anesthetists of Great Britain and Ireland), Portsmouth UK.

Nov. 20, 2007 Speaker, Department of Anesthesia, Paris Public Hospital #16, "First Pass Laryngoscopy Strategies and Practical Emergency Airway Management." Paris, France.

October 8th, 2007 Director, American College of Emergency Medicine Fiberoptics Workshops, ACEP Scientific Assembly, New Orleans LA.

Sept. 19th, 2007 Speaker, "Pediatric Intubation," EMS-C Conference Alameda County, Alameda CA.

Sept. 17-18, 2007 Speaker and Workshop Director, Emergency Airway Management, Alameda County Fire Department, Alameda CA

August 10th, 2007 Course director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers. Lectures on laryngoscopy, nasal intubation, rescue ventilation, and rescue intubation.

August 8th, 2007 Speaker, Institute of Cruise Ship Medicine Conference, Sponsored by Carnival Cruise Lines, Miami FL. "First Pass

Laryngoscopy Strategies and Practical Emergency Airway Management."

July 26th, 2007 Speaker and Workshop Director, Emergency Airway Management, Montgomery County Fire Department, Conshohocken PA.

July 12-13, 2007 Course Director, "Practical Emergency Airway Management," San Francisco Paramedic Association and San Francisco County Coroner's Office (full day didactic session, mannequin and cadaver workshops), San Francisco CA.

July 9th, 2007 Speaker, New York Chapter American College of Emergency Physicians Annual Meeting, Bolton's Landing, NY. "New Devices in Emergency Airway Management," and "First Pass Laryngoscopy Strategies and Patient Safety."

May 23rd, 2007 Grand Rounds speaker, Department of Emergency Medicine, Yale University Medical Center CT. "First Pass Laryngoscopy Strategies and Patient Safety in Emergency Airway Management."

Apr. 9, 2007 Course Director, Emergency Airway Management workshop. Pennsylvania Chapter of the American College of Emergency Physicians Annual Meeting, Philadelphia PA.

Mar. 28-29, 2007 Course Director, "Practical Emergency Airway Management," San Francisco Paramedic Association and San Francisco County Coroner's Office (full day didactic session, mannequin and cadaver workshops), San Francisco CA.

Mar. 10, 2007 Course director and principal lecturer, Pre-conference Airway Workshop, American Academy of Emergency Medicine Scientific Assembly, Las Vegas NV.

Feb. 28th, 2007 Course director, Mayo Clinic, Rochester MN Full-day airway procedure course using non-embalmed cadavers. Lectures on laryngoscopy, nasal intubation, rescue ventilation, and rescue intubation.

Feb. 15th, 2007 Grand Rounds speaker, Department of Emergency Medicine, Hartford Hospital, Hartford CT. "First Pass Laryngoscopy Strategies and Patient Safety in Emergency Airway Management."

Dec. 20th, 2006 Grand Rounds Speaker, Department of Emergency Medicine, Lincoln Hospital and Mental Health Center, Bronx NY. "First Pass Laryngoscopy Strategies and Practical Emergency Airway Management."

Dec. 14-15, 2006 Course Director, "Practical Emergency Airway Management," San Francisco Paramedic Association and San Francisco County Coroner's Office (full day didactic session, mannequin and cadaver workshops), San Francisco CA.

Nov. 30th, 2006 Grand Rounds Speaker, Department of Emergency Medicine, Thomas Jefferson University Hospital, Philadelphia PA. "First Pass Laryngoscopy Strategies and Practical Emergency Airway Management."

- Nov. 15th, 2006 Speaker, Riddle Hospital EMS Division, Media PA. "First Pass Laryngoscopy Strategies and Practical Emergency Airway Management."
- Nov. 10th, 2006 Keynote Speaker, Salt Lake City EMS Conference, sponsored by EMS Associates, Salt Lake City, UT. "First Pass Laryngoscopy Strategies and Practical Emergency Airway Management." Lecturer, "Rescue Ventilation and Rescue Intubation."
- October 16th, 2006 Faculty, American College of Emergency Medicine Difficult Airway Workshops, ACEP Scientific Assembly, New Orleans LA.
- October 15th, 2006 Director, American College of Emergency Medicine Fiberoptics Workshops, ACEP Scientific Assembly, New Orleans LA.
- October 11th, 2006 Grand Rounds, Regions Medical Center, Department of Emergency Medicine, Minneapolis MN. "First Pass Laryngoscopy Strategies and Practical Emergency Airway Management."
