Proudly Presents:
“*Envisioning the Big Picture*”

2019 ANNUAL NEW HAMPSHIRE TRAUMA SYSTEM CONFERENCE

Thursday, Sept 26: Preconference

0730-1700

Friday, Sept. 27: Conference

0730-1700

NEW HAMPSHIRE FIRE & EMS ACADEMY

98 Smokey Bear Boulevard Concord, NH 03305

800-371-4503 | 603-223-4200

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Concord Hospital and New Hampshire Dept. of Safety – Div. of Fire Standards and Training & EMS. The Concord Hospital is accredited by the NH Medical Society Council on

Education to provide continuing medical education for physicians.

The Concord Hospital Continuing Medical Education Program designates this educational activity for a maximum of 6.0 AMA PRA Category I Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

NEW HAMPSHIRE TRAUMA 2019:

ENVISIONING THE BIG PICTURE

This year, we begin a new mission to unify and embrace a more systematic approach to trauma care in New Hampshire. “Envisioning the Big Picture” means to recognize the role and needs of all patients, providers, services and hospitals across the continuum of care here in the Granite State. We hope that you will join us for two days of simulation, quality education, and networking as we come together as stakeholders from all disciplines to lay the foundation for the trauma system of the future.

Trauma Triage Mechanics Preconference | Sept. 26, 2019

The Trauma Triage Mechanics simulation day will call upon participants to respond, triage, and manage the initial phase of a mass casualty event in accordance with the principals of SALT Triage — see protocol 9.1. Hospital and Pre-hospital providers are encouraged to attend this day-long simulation program. Participants will have the opportunity to practice MCI skills including use of ICS structure, SALT triage, and treatment in topical breakouts and response scenarios.

Attendance Limited to 24
