E - Notice given of absence

Curriculum project materials can be found at: <https://nhfa-ems.com/fstc-curriculum-projects/>

I. Visiting Committee Orientation

- The process and curriculum orientation was delivered by Max Dodge. Some discussion ensued regarding the availability of development resources within the Division.

II. Current Program Overview

- The program overview was delivered by Max Dodge. Some discussion ensued regarding the current curriculum hours of the program, concerns about On My Time training, and enrollment numbers. There was agreement among the voting members about the need to emphasize student competence over the clock hours of the program.

III. Changes to the Standard

- A review of the gap analysis was conducted.

IV. Establish Committee Goals

- The FSTC Vision for the Firefighter curriculum was presented and discussed. There was agreement among the voting members that the FSTC vision represented a positive step forward for the future of the profession.

V. Establish Meeting Schedule

- The members of the committee agreed that the morning of the third Wednesday of each month would be suitable for meetings throughout 2025. A schedule was to be generated by the division and distributed to the members.
- The meeting ended at 11:12 AM.
